Director's Editorial

To Whom It May Concern:

Batec Air Conditioning and Refrigeration is a Brisbane based company that takes pride in providing high quality service throughout the South-East region of Queensland.

Our affordable services include customised design, installation, Customised Preventative Maintenance and service for our clients in numerous industries. These include automobile dealerships, restaurants, manufacturing plants, office environments and apartment complexes.

We offer complete, expert services for maintaining, installing, repairing and system expansion on your air conditioning and heating systems. We also perform air conditioning and heating conversions to achieve high-energy efficiency.

Our compliance with Australian Standard No.**AS3666**, especially sections **2** and **3**(Design/installation) and Section **5**(Maintenance) which are related to your needs, ensure that our services are performed to the highest quality.

Batec employees receive the latest state-of-the-art training and certifications, and our company philosophy ensures that you will be happy with the workmanship and service level that we are known for delivering. All our staff have also been inducted and trained in compliance with the Work Place Health and Safety Act procedures. This is reiterated in our Health and Safety Check form provided on every Air Conditioning related service.

In addition to Batec's quality service, the company is renowned for its reliability and availability. You can contact us for emergency service, quotation, or simply to answer your questions about air conditioning, heating and refrigeration.

Let Batec provide the comfort and quality that your business deserves. We look forward to the opportunity of providing service to your company in the near future.

Kind regards

Joseph Bauer
Director
Batec Air Conditioning and Refrigeration

Products & Services

Batec offers a large range of choice for air conditioning / heating and refrigeration units to satisfy every customers needs. These include reputable and reliable World-Wide brands such as Carrier, Panasonic and Fujitsu. Further more, Batec provides a unique service that ensures your system operates at peak efficiency, in both energy management and in system performance.

2.1 COMMERCIAL SYSTEMS

Cooling and Heating Systems

From unitary products to applied systems, Batec offers a comprehensive line of commercial HVAC systems and services for office buildings, manufacturing, retail, schools and universities.

Accommodation Air Conditioning

Batec Accommodation Products and Preventative Maintenance Services offer a complete heating/cooling solution for hotels, senior living centres, and apartment buildings.
